1. Milk prices listed above will vary according to the amount of milk that is required by each retailer; additional milk will be paid for at that company's standard liquid milk contract price; the milk price above assumes that all litres produced are sold into the dedicated milk pools.

2. Included is a 0.50ppl bonus which farmers get when they sign up with the Promar costings survey.

3 These contracts will receive a 13th payment, the forecast for this is currently 0.56ppl from 1 December.

4. There will be a deduction for balancing costs on all litres above BADP in line with the milk balancing scheme.
